## A bright, brand new stay...

The Walled City has transformed itself into an international visitor destination for all the right reasons and those flocking to the banks of the Foyle will not leave disappointed by their experience.

The City was voted the top Hallowe'en destination in the world in a poll by U.S.A. Today, thanks to the massive popularity of the annual carnival festivities.

#### Unique heritage

With its unique cultural heritage and monumental City Walls, Derry is now recognised as one of the fastest growing tourism destinations. As the first UK City of Culture 2013, it's also affectionately known as LegenDerry.

A visit isn't complete without a walk around the 17th Century City Walls. Londonderry is the only remaining completely walled city in Ireland and this well preserved monument provides the perfect vantage point for those all-important holiday photos.

The iconic Peace Bridge symbolises a new dawn for a once divided city and its stunning riverfront has opened up a whole new vista for internationally renowned festivals and maritime events such as the Clipper Round the World Yacht Race.

The City offers some of the best visitor attractions from museums and art galleries, theatres and cinemas, to award-winning restaurants, hotels and street food showcasing the finest local artisan produce.

#### **Guided tours**

Guided tours are an absolute must for visitors to learn more about the city's transition to what local composer Phil Coulter penned "a bright, brand new day".

Make sure to leave time to relax and unwind in the many welcoming bars; shop 'til you drop in the city centre, complete with its own Craft Village; and maybe liven things up a little later in some of the popular nightclubs.

The people here are without doubt among the most friendly, hospitable and witty you will meet anywhere on your travels. The city boasts a rich cultural legacy with many famous sons and daughters so literature, music, song, theatre and dance are all pervasive. You will be entertained wherever you lay your hat.

#### **Family-friendly**

The Walled City is ideal for short family breaks or longer vacations with plenty of outdoor spaces and well maintained municipal parks and leisure centres to keep everyone active during their stay.

Visit Derry with all its delights and you'll never want to leave, always promising to return!

## **Destination Delicious**

Welcome to our internationally acclaimed city of culture and gastronomy on the banks of the Foyle.

We are a truly 'LegenDerry and Local' foodie destination priding ourselves in offering home-grown food production, stellar dining experiences, festivals and events all vear round.

We have a driving passion that won't be held back when it comes to superb, seasonal, locally sourced food which is rooted in the richness of our landscape, rivers and fields.

From locally produced rapeseed oil, to fish fresh from the harbour each day, we have an incredible natural larder which inspires 'plot to plate' and 'catch and cook' cuisine to enthral the most fervent foodies. Our amazing artisan producers, chefs and craft brewers shine on the world stage. And, the North West swept the boards to earn the title of 'Destination Delicious' at the NI Year of Food and Drink awards in 2016.

We have a fantastic offering, from exciting restaurants, cafes and bistros to exotic street food enterprises, as well as some extraordinary food & drink products launched here in the city with local expertise.

We have taken our foodie destination offering to an even higher level as Ireland runner-up 2015 and 2016 and our appetite for success is unstoppable.

We invite you to set out hungry and leave seriously satisfied!

# At the **heart of it all...**

Derry~Londonderry is not just an historic and cosmopolitan city in its own right, it is also the perfect base to explore the spectacular scenery and visitor attractions of the entire North West region.

This city is a natural hub from which to continue your journey to the Causeway Coastal Route taking in such famous landmarks as the Giant's Causeway world heritage site, Bushmills Distillery and Carrick-A-Rede Rope Bridge, not forgetting world class golf courses, beaches and lush countryside.

If you decide to travel by train from Derry to Coleraine, you will experience what was famously described by actor turned travel writer and presenter Michael Palin as "one of the most beautiful rail journeys in the world", passing Mussenden Temple located on the cliff-top surroundings of Downhill Demense near Castlerock, some 120 feet above the Atlantic Ocean. Inspired by Italian architecture, the temple is open to visitors all year round.

Neighbouring Co. Donegal which is literally just minutes away from the city, is also a starting point for the Wild Atlantic Way. One of the longest defined coastal routes in the world, this major touring route winds its way along Ireland's west coast from the Inishowen Peninsula to the picturesque town of Kinsale, County Cork.

Inishowen is very much part of the visitor's destination wish-list, especially a trip

to Malin Head which is Ireland's most northerly point.

Meanwhile, the stunning rugged landscape of the Tyrone & Sperrins region right on Derry's doorstep, offers tourists the history, heritage and culture of the entire local area.

Angling, golf and equestrian breaks can all be found within easy access of Strabane but venture a little further into the Mourne, Glenelly and Derg Valleys to get a true flavour of authentic rural Ulster. Dedicated driving, cycle and walking routes guide you on your journey of discovery taking in a wonderfully scenic landscape rich in heritage and myth.

Derry is uniquely positioned to continue your journey to all corners of the North-West region, offering visitors easy access to everything a tourist could wish for including world class angling, golf courses, equestrian centres, hill-walking and many other outdoor sporting and leisure activities; top quality quest accommodation; and award-winning food and drink for a truly authentic and memorable visitor experience to treasure -until the next visit!
